

# SSiS Goes Back in Time

## at the Summer Night Event 2016

The end of the school year at SSiS culminated in a wonderful show – the Summer Night Event. This year's event saw us hit the rewind button and journey back in time.

### PREPARATION PAYS OFF

In the weeks leading up to the event, students and teachers worked together and rehearsed diligently to put together a stunning display and spectacular performances at the Summer Night Event 2016.

### FROM DINOSAURS TO PHARAOHS

The show commenced with a heart-warming 'prehistoric' performance by the Little Tots and Playgroups. Dressed in adorable costumes that harked back to the age of dinosaurs, the children danced enthusiastically to the music. Their efforts were rewarded with hearty applause and cheering.

The next performance took a leap through two thousand years to the golden age, to ancient Egypt, Pharaohs and treasures. The Primary 3 students impressed the audience with their short play, which had a distinctly spooky edge. Next stop was the era of the ancient Romans, brought to life by the Primary 4 students with an inspiring musical performance.

### FROM KUNG FU FIGHTING TO VIKINGS

Primary 1 students ushered us to ancient China and the era of the Tang Dynasty, twirling colourful umbrellas and breaking into kung fu moves. Next, we moved on to the age of the Vikings, with a creative percussion performance by our Primary 2 students.

Primary 5 students entered the stage solemnly dressed as monks, taking us back to Medieval Times. They danced gracefully and finished off the performance with a battle of the knights. Next, Kindergarten students crept quietly onto the stage dressed as Native Americans, and retold native American history and culture through music.

Primary 6 students then took us through the evolution of dance, grooving to a mixture of hit songs from different decades. The performances finished with a magnificent flash mob, which saw principals, teachers, students and parents gathering on stage and dancing their hearts out. This brought the entire Swiss School family together once again and ended the event on high note.

### FAREWELL SCHOOL YEAR, HELLO SUMMER

Finally, all the students gathered on stage while our principal, Mr. Sacha Daehler, thanked all the teachers and students for their hard work, and our president, Rebekka Aicher Koch, gave a stirring speech. Then came a rousing rendition of the school song, after which Primary 6 bade us farewell by leaving the stage with the Kindergarten students.

A perfect 'Summer Night' ended with a delicious buffet dinner and lively socialising in the school's courtyard.
