

Winter Wonderland: One Enchanted Evening at SSiS

NEWS FROM THE

One evening last December, the students, parents, guests and staff of SSiS gathered to enjoy Advent together. Thanks to the imagination and ingenuity of all involved, they were transported to a magical 'Winter Wonderland'.

CHILLY SETTING, HEARTWARMING PERFORMANCES

The evening began with a beautiful choral rendition of 'Leise rieselt der Schnee', sung by Kindergarten and Lower Primary students. This was followed by a performance of the popular 'Winter Wonderland' song by the Upper Primary students, setting the perfect ambience for the evening.

The audience was spellbound as Sarina and Reto, played by students, tried to build a snowman. Upon completion of their masterpiece, Reto tried to take a photograph but, to their dismay, things did not go according to plan. The flash caused the snowman to come alive! And so began the adventurous journey of Sarina, Reto and the rest of their friends to the magical Winter Wonderland...

A SHOW OF MANY TALENTS

The EC students took to the stage with a sweet performance of 'Candy Bars and Milkshake'. They were followed by Kindergarten who grooved to 'Move like Jagger' by Maroon 5, which really got the audience rocking. Primary 1 wowed the crowd, gracefully dressed as fairies and fierce ice workers while illustrating a dichotomy of light and dark. Primary 2 sang a melodious rendition of 'Klanggeschichte' while happily taking

part in wonderful winter snow activities. Primary 3 students sang 'Snowflakes' with a marvellous instrumental accompaniment.

Primary 4s danced, sang and whirled to the catchy beat of 'Chlöisli i span dis Eseli a'. Primary 5s thoroughly entertained the audience with various renditions of

“For the grand finale, the whole school gathered on stage to sing 'We are the World'.”

the famous song 'Jingle Bell Rock'. The Primary 6s performed the final act – a medley of modern songs with various props such as roller skates and hockey sticks. They flawlessly executed a number of cool, icy moves through a brilliantly choreographed performance of

'Ice Baby', which blended in beautifully with the wintry atmosphere.

For the grand finale, the school gathered on stage to sing whole the famous charity song – 'We are the World', concluding the evening with the traditional Christmas carol 'Silent Night'.

Needless to say, this wonderful evening could not have been possible without the hard work of students and staff.
