## Parents Information SSiS #8

Dear Parents,

We are already heading towards the end of this school year. There are only four more weeks to go until we close the school year with our traditional Summer Night Event on 20 June 2019. We look forward to welcoming the SSiS Community to this wonderful event.

For a few parents, this Summer Night Event will be the last day at SSiS. We thank all our SSiS families for their trust and support. It will be good to have you all at SSiS for the party for a last mingle and to share a pleasant evening together. And of course, we look forward to bonding with all the families who will stay at SSiS next year.

### Last Week of this School Year: ECAs, Afternoon Extension and Support Lessons

Kindly take note of the following timetable for calendar week 25 (17 to 20 June 2019).

**Language Preparation Course for the Transition from Primary to Secondary School for P5 and P6**

SSiS still offers a language boost in German or English as an optimal preparation for secondary school on Friday afternoons. For P6 students, this course is part of the curriculum and therefore included in the school fee. Students can choose between English or German. For P5 students this is an extra-curricular offer at a small additional cost.

We will ask the parents of our 5th graders next Friday whether they are interested and the P6 parents whether their child will take part in the English or German offer.

**We are hiring: Additional Teacher for our German Afternoon Offer**

As of August 13, 2019, we are looking for an additional teacher for our German afternoon program for our children aged 4-6 years. You will find the corresponding job advertisement on our [website](#).

**Full Day Offer for Early Childhood and Kindergarten**

As already informed within our last Parents Information, we will have a Full Day Offer starting August 2019 in the next school year. You can find all further details here:

- For LT/PGI students: You will be able to choose whether you would like to continue with the current programme or switch to the full day programme (3 or 5 days a week).

- For PGII/KG: Our Afternoon Extension has been renamed into Full Day Offer. This programme, which is from 1.45 until 3.20pm, is taught in German and runs in addition to the regular lessons. In combination with our Extra Curricular Activities, students have the possibility to stay at school for all five weekdays from 8.30am until 3.20pm.

**Flea Market Organised by the Parentsforum, 25 May 2019**

Tomorrow the Swiss School's Annual Flea Market will take place from 10am to 1pm in the Multi-Purpose Hall. Children, simply come and choose a spot in the MPH, spread their blanket and have fun

selling or trading-in your once loved toys, books, CDs, games, etc. You can sell anything you want so long as it's in good, working condition. Parents, feel free to browse and/or support your child. For more information, please have a look at the attached [flyer](#) and the [house rules](#).

### Summer Night Event

Now it's the time of year for our Summer Night Event based on the story of 'The Snail and the Whale' with the children working 'Stronger Together'.

The preparation for the end of year event is on track with the invitations being sent out soon to close the school year of 2018/19.

As with every year, the Summer Night Event provides not only an entertaining show, but as well, ample time and space to mingle and meet for a last time before some of us will leave Singapore, either for the long summer break or for good.

We look forward to welcoming you at this festive closing event.

Come, join us and have fun!

Some organisational information:

- Students have to be in school at 6.30pm in their respective classrooms before the event
