

A New Full Day of French for Our Little Ones

Following the successful expansion of our French Stream last summer, we are excited to introduce an optional Full Day Offer in French for our 2- to 3-year-old children in the next school year 2021/2022.

LEARN THROUGH PLAY

We welcome children aged 2 to 4 years to our Early Childhood Programme, where they have the opportunity to learn through play about the environment, their relationship to the world around them, and themselves.

Primarily, our students are taught in English. German and French are gradually introduced through interactive lessons such as singing, crafts, playing together and listening to stories.

We also offer an optional daily Full Day Offer for children aged 2 to 3 years until 3.20pm in German. Likewise, 4-year-olds can take advantage of the Full Day Offer on Tuesday, Wednesday and Thursday.

In addition, our students have the choice of various Extra Curricular Activities (ECAs) after school hours. We are very pleased to offer Chinese Language as a new ECA for our Playgroup II through Grade 6, commencing August 2021.

IT'S A SMALL WORLD AFTER ALL

All the students of the Swiss School in Singapore are encouraged to become true citizens of the world – whether they speak English, German, French and/or Chinese!
